PREACHERSVILLE.

It was reported that a wedding took place here Sunday.
Rev. F. D. Palmeter preached at the M. E. church Sunday. Rev. Ragan, of Williamsburg, preached a good sermon at night.

Dr. H. E. B. Hymer, of Latonia, will soon locate here. He is said to be a most excellent physician and comes highly recommended.

Drake Creek farmers are having trouble with their crops on account of high water. Some have already planted their crops a second time and ready to plant again.

This is our 10th year in bee-keeping and being frequently called on to attend to our neighbors' bees, it is impressed upon us that the majority of bee-keepers are very careless. Often we find hives tipped sideways, full of roaches, ants and moths.

J. H. Thompson bought a bunch of cattle for fall delivery at \$4.25. Corn is in steady demand at \$3. J. P. Rodgers sold a horse to Bev Broadbudd for \$100 and bought a high-bred horse from same for \$200. W. H. Cummins bought of J. B. Hutchins his home here for \$475. Mr. Hutchins and his most excellent wife will make their future home in Knox county. We dislike to give up such excellent people.

Mr. J. J. Smith and little grandsons, of Brodhead, visited at J. M. Cress'. Miss Hallie Brown, of Sweeny, was visiting Miss Lillie Thompson. Miss Katie Payne visited the family of her brother, J. F. Payne, and other friends here. Mr. and Mrs. John Bell and Miss Maggie Bell visited at John Naylor's. J. J. Sebastian, of McCreary, was with homefolks Sunday. Miss Ella Thompson was the guest of Miss Hallie Brown the past week. Misses Mullins, of Spark's Quarry, were visiting at Judge Colyer's. Col. J. W. Herndon, of Carlisle, visited his son, E. L. Herndon. Mrs. Elizabeth Barker, of Crab Orchard, visited Mrs. Ona Naylor. J. T. Blankenship and two pretty little daughters, of Etowa, Tenn., visited his parents here.

So you thought that snuff had died out, did you?" said a millionaire snuff manufacturer of Philadelphia. "Well, it has died out among fashionable people, but millions of pounds of it are still consumed."

"I send a great deal of snuff South. In Georgia, Alabama and the Carolinas the poor 'dip' snuff in huge quantities. To 'dip' it is to rub it on the gums and in the crevices of the teeth."

"I also send a lot of snuff to France. The lower classes in France still carry their horn snuff boxes and still sniff snuff up their noses in the regulation way."

"I do a good trade, too, with South America and Africa. The Kaffirs stuff their noses with snuff mixed with pepper, while the Patagonians ram it up their nostrils with small wooden spoons."

"Have no fear about the snuff trade; there is still a good living in it."

Demands for an apology and perhaps also for indemnity, as a result of the anti-Japanese riots in San Francisco, probably will be made by the Japanese Government. An international plot to overthrow the present Ministry in Japan has been confirmed by information received in Washington, and efforts are being made to have the Japanese Minister from Japan recalled, it being charged that he has betrayed the Government by sending in false reports regarding conditions in San Francisco.

The Magic No. 3.

Number three is a wonderful mascot for Geo. H. Parris, of Cedar Grove, Mo., according to a letter which reads: "After suffering much with liver and kidney trouble, and becoming greatly discouraged by the failure to find relief, I tried Electric Bitters, and as a result I am a well man to-day. The first bottle relieved and three bottles completed the cure." Guaranteed best on earth for stomach, liver and kidney troubles, by Penny, druggist, 50c.

The man who does not advertise because his grandfather did not, ought to wear knee breeches and a queue. The man who does not advertise because somebody said it did not pay, ought not to believe that the world is round because the ancients said it was flat.—A Retail Merchant.

Colic and Diarrhoea.

Pains in the stomach, colic and diarrhoea are quickly relieved by the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. For sale by all druggists.

Small Willie fed the elephant Peppers from his hand; Now on a harp he's playing In the better land.

"This meat," protested the boarder, "is overdone."
"Not exactly, it ain't," replied the waitress; "it's done over."

Mrs. J. R. Hallowell, formerly of Princeton, appealed to the Governor of Oklahoma to refuse to grant a requisition from the Governor of Kentucky for the return of herself and husband to Kentucky. She claims she was shot by night riders in Caldwell county, and driven from home by threats of death.

Steve Adams, who confessed that he was the accomplice of Harry Orchard in the chain of murders in connection with the strike of the Western miners, may go on the stand and tell a bloody story of his work. His confession may be used against him, and it is said to be even more horrible than the story told by Orchard.

Twenty-one lives were lost when a cloudburst struck the little town of Gradyville, in Adair county, and it may be that more bodies will be found in the wreckage of the houses swept away. A wall of water swept down the narrow banks of a small creek and overwhelmed those houses which were built close to the stream. In the path of the cloudburst fences were washed away and growing crops torn up, fields being left entirely bare. State Senator Neil was the only one of his family to escape death, his wife and five children being drowned or killed. Yesterday was a day of funerals, and the supply of coffins had to be renewed before all the dead could be buried. Six or eight houses were destroyed and the property loss is estimated at \$75,000.

Remarkable Rescue

That truth is stranger than fiction, has once more been demonstrated in the little town of Fedora, Tenn., the residence of C. V. Pepper. He writes: "I was in bed, entirely disabled with hemorrhages of the lungs and throat. Doctors failed to help me, and all hope had fled when I began taking Dr. King's New Discovery. Then instant relief came. The coughing soon ceased; the bleeding diminished rapidly, and in three weeks I was able to go to work." Guaranteed cure for coughs and colds. 50c. and \$1. at Penny's drug store. Trial bottle free.

"You can tell a fish's age by its scales," said a fishmonger, "the same as you can a horse's age by its teeth. Look here."

He held a pocket microscope close to a huge carp, and on each scale ring after ring was seen—rings rather like those on the human finger tip.

"Count the rings," said the dealer, "and allow a year to a ring. In that way you can calculate accurately the age of any scale-bearing fish."

There has never been a case of typhoid fever or appendicitis known to develop where White's Diamond Brand Crab Orchard Water has been used constantly, because it keeps the whole system in perfect order. Do not be imposed upon. There are imitation Crab Orchard Salts and Water on the market; ask your druggist for White's genuine Diamond Brand.

Gentleman—Frederick, go upstairs and tell my wife to stop her singing.
Footman—That is not my lady, sir; it's the cook. Shall I—
Gentleman—No; for heaven's sake don't say anything.

C. Guaranteed for Piles, Burns, etc., by Penny, druggist, 25c.

THE Civil Service Commission has amended its rules to prohibit all persons in the classified civil service from taking an active part in political campaigns. The amendment was made through an executive order issued by the President. If the rule could be made to apply to all Federal officeholders, there would be better service and less log rolling. But what would the administration do without its postmasters, collectors and so forth?

THE District Committee of the Fifth Appellate District has been called to meet in Frankfort Friday to name the time, place and manner of selecting a nominee for appellate judge to succeed Judge Carroll, who is filling out Judge Cantrill's term by appointment until the election in November. Judge Carroll is the only announced candidate for the succession and the chances are that he will have no opposition.

SENATOR BURTON, of Kansas, who was forced to resign and suffer a jail sentence, is unable to pose as a martyr. He went on the lecture platform to show how badly he had been treated and how mean President Roosevelt is, but the people won't hear him. The receipts at one of his stands footed up \$4.17.

It won't be long before the Civil War will be known only by history and hearsay. Of the war governors of the 25 States that remained loyal to the union but three survive—William Sprague, of Rhode Island, aged 77; Frederick Holbrook, of Vermont, aged 94, and Samuel J. Crawford, of Kansas, aged 72.

Additional Local.

THE trustees of the White Oak school-house district want a first-class teacher. Lady preferred.

THE Court of Appeals reversed the decision of the court here in the case of the administrator of B. Reynolds, who was killed by a Q. & C. freight train near Kingsville while employed as brakeman. It says that while it is the company's duty to see after the safety of its employees while on duty, he is no more than any other trespasser when he goes to a place he is not expected to be while off duty. It seems that Reynolds was sitting on the railroad track when his train struck him.

THE Crab Orchard Fair Association is having its catalogue printed at the Danville News office. We have had the honor of doing this work heretofore but the promoters of the East End enterprise saw fit to give us the "go by" this year. The News does splendid work and will no doubt suit the fastidious taste of the management. We would have saved the association money on the job, but money is of no consideration when an end must be reached. The fair is a Lincoln county enterprise, however, and we are for it if some of the "big guns" are against us. We want to see it a success and will do all in our power to make it such despite the desire of those who want us to do the puffing and somebody else to do the printing. We admit that we were asked to bid on the catalogue but our price was before the directors, as bills have been rendered after each fair, and we thought it unnecessary to make matters any clearer.

DARE ALL NO. 2086.

The combined stallion will make a limited season, 1907, at Lawn Mere Stock Farm, 2 1/2 miles West of Hustonville, Ky., on the Bradfordville & Hustonville pike, near Carpenter's Station, at \$10 to insure a living colt. Mares traded or parted with forfeits insurance and money becomes due at time of such transaction. Lien retained on all till season is paid. Mares grazed at \$250 a month. Grain fed, if desired, at reasonable rates. Bills must be paid before removal of mares. Mares entrusted will receive my personal attention, but we will not be responsible for accidents or escapes.

DESCRIPTION.—Foaled in 1902, 15 1/2 hands high, dark bay with one front and rear foot white, star. A model of great beauty with short back, long neck, deep, well-sloping shoulders, and with great style in action. Expect from reading his pedigree. Good bone, fine feet and legs, wonderful stamina. Attractive by halter, under saddle and in harness, with graceful movement that belongs to him by inheritance from a long line of the most famous ancestry of saddle horses the world has ever produced.

Pedigree.—Sired by Dignity Dare, No. 1585, Vol. 5, A. S. H. R., he by Chester Dare 10, he by Black Squirrel 58, he by Black Eagle 74, he by King William 67, he by Washington Denmark 64, he by Gaines Denmark 61, he by Denmark D. S. 1st dam Fannie Mc 736, by Red Squirrel 58, 2nd dam by Mollie Good by King William 67, 3rd dam by Devenport's Oliver, Th. Dignity's first dam by Welchman 697 A. T. H. R., he by William Welch, he by Rysdick's Habbendon, 2nd dam by A. H. H. Messenger, 3rd dam by Gill's Vermont.

REMARKS.—In offering the services of Dare All to the public, I take occasion to state, without presumption, that I have been a breeder and handler of fancy saddle horses for 25 years and experience has taught me to know and appreciate a high class one. Dare All is the result of careful, painstaking breeding and comes as natural result of making the very best mares with the foremost stallions the state has afforded. Carrying about 25 per cent. of King William blood a greater per cent. than any stallion in service in the State. King William being regarded as pre-eminent for fancy saddle and harness horses. Dare All sired by the now coming famous Dignity Dare, he in turn by Chester Dare, following a long list of sires, every one a great show horse, out of mares that were equally as famous as show mares, and his dam, Fannie Mc, the greatest show mare we ever owned, having refused \$1,000 for her, we think entitles him to the careful consideration of all prospective breeders. We think him the grandest show horse. See him before booking your mares.

THE crowning of Miss Kate Pence as queen of the carnival drew an immense crowd to the rink Friday night. The handsome young woman bore the honors admirably and she was heartily congratulated. Mr. Robert T. Bruce was her escort and the crown was placed on her pretty brow by her charming sister, Miss Dora Pence. The rink of the evening was one of the very best yet but was cut short by the fearful storm, many leaving before the hard rain came. To-night the attraction will be the most graceful couple, young or old, and to the winners a box of Lowney's candy will be given. A number of ladies and gentlemen have already signified their intention of entering the contest. As many of the skaters did not get their full quota of skating Friday night the rink will run later than usual to-night.

A SAD coincidence indeed were the deaths of Mr. Joseph Coffey, of Moreland, and his daughter, Mrs. N. H. Bishop, the former dying on Saturday night and the latter on Sunday night. The double burial occurred in the Hustonville cemetery at 4 o'clock yesterday afternoon and was the saddest in years. The father who was about 60 years old, died of heart trouble, after a protracted illness. He had long been a member of the Baptist church and was a good, kind-hearted man. He is survived by his wife and two sons, Messrs. Randall and Charles Coffey. Mrs. Bishop suffered a complication of diseases and had also been ill a long time. She was a devoted wife and mother and a most excellent woman in every way. Besides her husband she leaves a little child only a few months old. May the Giver of all good and perfect gifts sustain the beloved ones in their loss.

Who do you think will win in the graceful skaters' contest at the rink to-night?

MR. BONTA, the well-known caterer of Perryville, will furnish dinners at the Stanford fair July 17, 18, 19.

THE copy for the catalogue of the Lincoln County Fair to be held here July 17, 18, 19, is in press at this office. It will be a book of nearly 100 pages, full of overflowing with liberal premiums and interesting display advertisements. Write to Secretary J. F. Cummins if you want one.

THE speech of Mayor Clarence E. Woods, of Richmond, at the courthouse here yesterday was listened to with great interest and heartily enjoyed. He spoke at the invitation of the Law and Order League, which is yet in formation, and gave many timely suggestions. Mayor Woods is an exceedingly pleasing speaker and his heart is thoroughly in the work of civic righteousness.

PICKETT.—The sad news came yesterday that Miss Virginia Pickett, the bright and pretty sister of Mrs. Will Severance, of this place, died at her home in Shelby county. She had not been in good health for a year or more but her condition was not regarded as serious. Miss Pickett spent a good deal of her time with Mrs. Severance and the scores of friends she made have learned of her death with deep regret.

Every Man His Own Doctor.

The average man cannot afford to neglect them, as so slight an injury as the scratch of a pin has been known to cause the loss of a limb. Hence every man must from necessity be his own doctor for this class of ailments. Success often depends upon prompt treatment, which can only be had when suitable medicines are kept at hand. Chamberlain's Remedies have been in the market for many years and enjoy a good reputation.
Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints.
Chamberlain's Cough Remedy for coughs, colds, croup and whooping cough.
Chamberlain's Pain Balm (an antiseptic liniment) for cuts, bruises, burns, sprains, swelling, lame back and rheumatic pains.
Chamberlain's Stomach and Liver Tablets for Constipation, biliousness and stomach troubles.
Chamberlain's Salve for diseases of the skin.
One bottle of each of these five preparations costs but \$1.25. For sale by all druggists.
The sturdy little chap had just come in from a day's tramp through the woods with his grown-up brother. "Well, Bertie," said his mother, "have you a good appetite for your dinner?" "Yes, mother," exclaimed the little fellow, "and I hope you have a good dinner for my appetite."
